※1 Available from June 1st or November 1st only for Master's students. However, you can not issue the certificate in the following periods; about 10 days each for February, May, August and October.

※2 The certificates can be obtained from the automated certificate-issuing machine from graduation day (March 15th or September 15th) until you return the student ID card to receive your diploma. From the following day of graduation ceremony to March 31st for March graduates or September 30th for September graduates, they are provided from the office counter for 200 yen per copy. On and after April 1st or October 1st you will be treated as an alumnus.
