Apr. 22（Wed.）7:00～ *The result released on this day are FINAL.

*Exercises B, C（演習B, C）, Research Guidance（研究指導）, and Master's thesis（修士論文）are automatically registered by the university on behalf of students, so students do not have to register them by yourself.

** During the course registration period, be sure to check that the courses you have registered are correct and that you have registered a sufficient number of courses.

*Regarding first and second course registration, students will be registered on Waseda Moodle on the result announcement day, while for third course registration, students will be registered as guests on Waseda Moodle starting from the day after the last day of the application period, allowing them to check lecture information and announcements from instructors. Courses that are deleted during the course registration period will have their registration canceled on the result announcement day.
*Please register during the 1st and 2nd course registration periods so that you can attend the 1st lecture as much as possible.

◇Doctoral course students can register the courses. In that case, the course registration is required and the grade will be given.
