DO NOT expand this field.

Theme of your research

IPS で行う研究について、(1)背景、(2)目的と目標とその理由、(3)様式 4 記載内容との関連、(4)方法、(5)期待される効果（新規性あるいは有効性など）を論理的、具体的に記述してください。なお(3)では、研究計画が様式 4 記載内容と関連がある場合はその違いを、ない場合は経験不足を補う方法を記述してください。また、資料を参照する場合は、その出典を明記してください。剽窃は認められません。（本用紙の枠内 1 ページに収めて記入してください。文字数の制限はありません。別紙記入不可。印字可）

Describe your research plan in IPS logically and concretely (1) background, (2) purpose, goals, and their justification, (3) relationship with the description in Form 4, (4) methods, and (5) expected results (e.g. novelty or importance). In (3), if your research plan is related to the information in Form 4, explain the difference, if not, explain how to catch up the lack of experience. If you are referring to journal papers, state the source. In any case, plagiarism is not permitted. (There is no word limit, but the statement must be completed within one page of this form. Do not attach any separate sheet. Printing is acceptable.)

DO NOT delete or alter these instructions.

NOTES

- DO NOT expand frames.
- Font size must be at least 9 point or larger.
- DO NOT exceed ONE page; we do not accept if it spans over two or more pages.
- Attachments are not allowed.
- You can include figures and tables.
- Even if you include figures and tables, additional pages are not allowed
- Please be sure to check the submission examples on the next page.
