

# Universities in Global Society: Framework of Education for Prospective Global Leaders

**January 23, 2017(Mon), 14:30–17:30**

This symposium will focus on international collaboration in education and research and introduce global initiatives at Waseda University. Part 1 will be an overview of Waseda University's global engagement strategies. This part will also include invited talks on global engagement strategies by representatives from three universities overseas, which have structured new educational frameworks for the Top Global University project (TGU). Part 2 will look at specific cases in the joint appointment system and the joint supervision program, which were established with the University's aim to implement a joint degree program in the future. Moreover, doctoral students who have received education and research guidance abroad, as well as respective faculty members from their partner institutions, will share their experiences on these frameworks.

Venue: **Okuma Small Auditorium**

Language: **English and Japanese** (simultaneous interpretation will be provided)

Registration Fee: **Free of Charge**
