

Mathematics and Physics Unit, “Multiscale Analysis, Modeling and Simulation”

International Workshop on Multiphase Flows: Analysis, Modelling and Numerics

Invited Speakers

Alessio Castorrini (Sapienza University of Rome)
Anatole Gaudin (Universität Duisburg-Essen)
Patrick Tolksdorf (Karlsruhe Institute of Technology)
Masashi Aiki (Tokyo University of Science)
Mitsuo Higaki (Kobe University)
Tomohiro Otani (The University of Osaka)
Naoki Takada (National Institute of Advanced Industrial Science and Technology)

Dates

December 10–12, 2025

Venue

Green Computing Systems Research Organization
Waseda University, Tokyo

Organizers

Hideo Kozono (Waseda University)
Kenji Takizawa (Waseda University)
Keiichi Watanabe (Suwa University of Science)
Takuya Terahara (Waseda University)
