## List of Previous Publications/Researches (F)

### Instructions

1. List all of your published works including academic papers, books, translations, research reports, conference presentations, etc. under the three categories of “Academic Papers”, “Books” and “Others”. Clearly specify the category name and list your work under each category in the order of publication. [The year of publication should be represented in Christian year.]
2. Describe each work in the following order: The name of author(s), year of publication, title, name of journal, volume, issue, first and last pages of your work or published parts).
3. If there are more than one author, write down the full name of all the authors starting from the first author in order and underline the name of the applicant.
4. If a “book” is comprised of multiple sections written by different authors, clearly state the title of the section you have contributed and the first and last pages of that section. Do likewise with co-translated “translations”.
5. The record can be hand-written, typed (except for the signature) or you can paste a printed sheet of paper. However, please comply with the format of the document.
