(Notes)

- 1) The presentation time for Thesis Presentation is 20 minutes and Oral Examination is 30 minutes. Both include time for the examiner's evaluation and comments.
- 2) The above criteria applies for students aiming for completion in September 2025. The schedule differs for students wishing to graduate in March 2026, so please pay special attention to the one that corresponds to you.
- 3) In case of any changes to the above schedule, our web site should be updated, so please be sure to check it regularly.
- 4) Should you cannot complete your study according to the above schedule for the leave of absence etc., you should submit the office [Application for Study Extension](#) with the signature of your supervisor.
