(Notes)

¹Each student is allotted 20 minutes for the Thesis Presentation and 30 minutes for the Oral Examination. Both include time for the examiners' evaluation and comments.

²If the Thesis Presentation or the Oral Examination cannot be held on the scheduled date due to examiners' circumstances, it will be rescheduled to a weekday within the following week.

- The above schedule applies to students who plan to complete their studies in September 2027. As the schedule differs for those graduating in March 2027, please ensure you check the schedule that applies to you.
- Should the schedule be changed, we will update the information on our website and notify you by email. Please make sure to check the website for the latest schedule.
- If you are unable to complete your studies according to the above schedule due to a leave of absence or other reasons, please submit the "Application for Study Extension", signed by your supervisor, to the office.
