

The List of courses for which the lottery occurred previous year

These tables list courses offered in 2025 for which the number of applicants for the first registration in the spring or fall semester of 2024 exceeded the capacity of the course and a lottery occurred.

The Competitive ratio listed in the tables are actual figures for AY2024 and do not guarantee trends for AY2025. Please refer to them for planning your course registration.

- *The comtetitive ratio is calculated on the basis of "applicants/ capacity".(Rounded off to two decimal places).
- *Please refer to the syllabus for the details of each course.
- *In the case of courses offered every other year, information of latest year is listed.
- *Courses in green are for the TAISI Program and courses in white are for the General Program.
- *Courses that will be renamed in 2025 are listed under the new course titles.
