

For Students Who Have Not Been Approved for Graduation

1. September Graduation in AY 2026

Students who were unable to fulfill graduation requirements within the standard period of study and continue enrollment beyond the fourth year may graduate at the end of the spring semester (**September 15**) if they meet the following conditions:

- (1) Enrollment of **four years or more** by the end of the spring semester
- (2) Completion of required credits through courses that conclude in the spring semester
 - *Please note that foreign language courses may not be eligible for September graduation. Consult the office in advance.
 - *Students intending to use credits earned during study abroad should consult the office beforehand.
 - *Tuition for September graduates covers the spring semester only; fall semester tuition is not charged.

***As eligible students will graduate automatically, no prior application for September graduation is required. Students who do not wish to graduate in September must adjust course registration accordingly.**

2. Tuition for Extended Enrollment (AY 2026)

➤ Tuition Fees for extended Students

*Please check the Study Guide distributed at the time of enrollment or refer to the bank transfer notification or payment slip you will receive in mid-November for the tuition amount.

*Bank account withdrawal for extended students' tuition fees: July 6(Spring semester).

*Please note that for some courses such as those offered by the Global Education Center, Health and Physical Education Courses (sports training and athletics programs), "Tutorial English," etc., additional fees such as course enrollment fee are required separately from the tuition fees counted toward credits. Please be careful about this when registering for courses.
