| Sport Sciences (2 year)  | 300,000                  | 935,000         | 70,000                                      | 2,000                      | 5,000          | —  | —                                | 3,000   | 1,315,000           | 1,235,000   | 1,235,000         |
| International Culture and Communication Studies                | 300,000                  | 788,000         | 4,000                                       | —                          | —              | —  | —                                | 3,000   | 1,095,000           | 1,088,000   | 1,088,000         |
| Asia-Pacific Studies   | 300,000                  | 1,406,000       | —   | —                          | —              | —  | —                                | 3,000   | 1,709,000           | 1,706,000   | 1,706,000         |
| Information, Production and Systems                            | 300,000                  | 1,162,000       | 50,000                                      | —                          | —              | —  | —                                | 3,000   | 1,515,000           | 1,462,000   | 1,462,000         |
| Business and Finance (Full time, 2 year)                       | 300,000                  | 1,765,000       | —   | —                          | —              | —  | —                                | 3,000   | 2,068,000           | 2,065,000   | 2,065,000         |

※1 Those who have graduated or withdrawn from Waseda University are not required to pay the Admission Fee.

※2 Seminar/Laboratory work fee, and association fees for AY 2026 are undecided, the provided numbers above are for AY 2025 for reference.

※3 Provided numbers are "tuition" for the 2nd year. The payment of tuition (First year: Admission fee plus tuition) for each school year is equalized.

In addition to the tuition fee, seminar/laboratory work fee and association fees are required each year.

※ Some specific courses may ask for the additional exercise fee.

※ Master's degree or professional degree students who have completed their previous studies outside Waseda University are required to pay 40,000yen as an Alumni Association fee at the second semester of last attending year. (The fee covers for 10 years after graduation.)

Those who have completed undergraduate studies at Waseda or enrolled Waseda University as a transfer/5-year doctoral/doctoral/double degree/non-degree/research student are exempt from paying the Alumni Association fee.
