Are you bothered with such troubles ?

- How could you know the information for internships?
- When do you start job hunting activities?
- Where could you find the ES on companies' website?
- How could you fill out the ES?
- How to prepare for selection by companies?
- Are there any places for practicing with the interview or just career consulting?

Attention

• We also provide 40-minutes career consultation in English at the Career Center. You need to make a reservation via email below.
