### Life in Busan

A short-term visitor’s (C-3) visa is sufficient for all program participants. No special documents are required. You may need only a passport, a copy of a visa, a completed immigration form, and a photo (in the required Korean embassy or consulate). However, under visa-exemption agreements, visitors over 15 years old, such as students from Japan, China, and many European countries, are allowed to enter Korea without visas. In such cases, you may need to submit a certificate of enrolment, which we will send to you after screening.

### Additional Information

- The Student dormitory is available to summer program participants. Dorm rooms are western-style, fully furnished, and include twin beds. Meals are provided at the dormitory cafeteria (cooking is not permitted). The dormitories provide other facilities, such as shower rooms, laundry facilities (coin-operated washing machines are available), and internet access. For the latest fee rates, please visit the website.

### Application Deadline

- **Session A**: March 10, 2016
- **Session B**: May 10, 2016

### Application Deadline

- **Session A**: May 10, 2016
- **Session B**: July 15, 2016

PNU is located in the northeastern part of Busan Metropolitan City, a bustling port city of close to 3.6 million residents and Korea’s second-largest metro area. Busan is famous for its unique natural environment, the perfect harmony of mountains, rivers and sea, with superb oceanfront vistas, such as Haeundae and Gwangali Beaches, scenic cliffs, and some of Asia’s most beautiful beaches. Natural environments and a historical town frame Busan’s charming scenery as a respected leader in tourism and culture. Busan also has one of the most advanced infrastructures for the expanding global film industry, including the world’s largest film studio, Pusan International Film Festival (PIFF), which attracts high-profile international stars to Asia. Busan is a seaside city with a modern, bustling business center, traditional marketplaces, and an energized artistic culture. It is truly one of vibrant Busan!

Pusan National University is one of the top-ranked universities in Korea and leads the nation in research and higher education. Established in May 1946, the university is one of the top-ranked universities in Korea according to 2015 Chosun Ilbo & QS Asian University Rankings (No. 1 in Hyundai Motors and Hyundai Heavy Industries).

PNU has a total of 11 colleges and 6 graduate schools, and offers 142 majors (54 undergraduate, 88 graduate). PNU also has 14 national research centers, 6 PNU Research Institutes, 12 PNU Advanced Research Institutes, 2 National Research Centers, and 1 Korea National Research Center. PNU is ranked among national universities in Korea, according to 2015 JoongAng Ilbo university rankings (No. 9, 2015) and 2015 Chosun Ilbo university rankings (No. 11, 2015) among national universities in Korea, according to 2015 JoongAng Ilbo university rankings (No. 9, 2015) and 2015 Chosun Ilbo university rankings (No. 11, 2015) among national universities in Korea, according to 2015 Chosun Ilbo & QS Asian University Rankings (No. 71 among Asian universities).

PNU Summer School is a 5 to 6 week long program designed specifically to attract students from all over the world. The program includes English language classes, academic classes, cultural trips, and other activities designed to help students immerse themselves into Korean culture and make new friends. PNU Summer School aims to provide an academic environment for international students, targeted at a variety of learner levels, to experience Korean culture and language through guided activities and to develop skills needed for effective communication in daily life in Korea.

PNU Summer School provides educational opportunities in almost 20 areas of study and prepares the students for college-level academic work. PNU Summer School will be held from June 18 to July 27, 2016. The program will be open to students who are at least 17 years old, and English proficiency is required. For more information, please contact summer@pusan.ac.kr.
**Session A: June 20 (Mon.) – July 15 (Fri.), 2016.**

Students may choose to participate in our two-week program, four-week program, or both, according to their schedules, preferences and academic goals. The Summer School is divided into participation in our two-week program, four-week program, or both. Each program consists of academic courses covering diverse subjects and various extracurricular activities, including field trips. The Summer School concludes daily Monday through Friday with lunch. Official transcripts are issued to students who complete the courses.

**Introduction to Korean Art History**

Taekwondo is a traditional Korean martial art and an Olympic discipline. If you are interested in the traditional arts of Korea, you can participate in various activities such as personalized cups or plates, under the guidance of an expert. You can learn many of the dance moves of popular K-pop singers that are performed in the most famous TV variety programs. Taekwondo

**Introduction to Korean Art History**

This course will explore Korea’s traditional art form in a two-week program, providing students with a chance to learn the history, philosophy, and practice of Korean art. The course will cover various aspects of Korean art, including architecture, sculpture, painting, ceramics, and metalwork. Students will have the opportunity to visit several museums and galleries, including the National Museum of Korea, the Busan Museum of Art, and the Seoul Museum of Modern Art. The course will also include hands-on workshops and demonstrations with local artists.

**Comparative Studies of Korea and Beyond**

This course will offer students the opportunity to explore the cultural and historical development of Korea and its surrounding regions. The course will cover topics such as the ancient Korean kingdom of Silla, the Joseon Dynasty, and the modern Republic of Korea. The course will also examine the impact of Korean culture on other regions, including Japan and China. Students will have the opportunity to visit several places of interest, including the Gyeongbokgung Palace, the National Folk Museum of Korea, and the Gyeongju National Park.

**Political Economy of East Asia**

This course will cover the political and economic developments of East Asia, focusing on the impact of globalization and regional integration on the region. The course will cover topics such as the political and economic systems of China, Japan, and South Korea, as well as the role of international organizations such as the World Trade Organization and the Asian Development Bank. Students will have the opportunity to visit several cities in the region, including Beijing, Tokyo, and Seoul, to see firsthand the impacts of globalization on the region.

**Cultural Activities**

Students will be able to enjoy a variety of cultural activities, including performances by local artists, visits to cultural centers, and participation in local festivals. Students will have the opportunity to participate in various activities such as traditional Korean dance, calligraphy, and pottery. They will also have the chance to attend local cultural events, such as film festivals and music concerts. Students will have the opportunity to visit several museums and galleries, including the National Museum of Korea, the Busan Museum of Art, and the Seoul Museum of Modern Art.

**Language of instruction**

All courses are taught in English, and students will have the opportunity to develop their language skills through classroom discussions, presentations, and assignments. Students will also have the chance to interact with local students and faculty members, providing a unique opportunity to learn about the culture and society of Korea.

**Tsushima Island**

Tsushima Island is a beautiful island located near the coast of Japan. Students will have the opportunity to visit the island and learn about its history, culture, and natural beauty. The island is known for its beautiful beaches, hiking trails, and historical sites, including the famous Tsushima Plain. Students will have the opportunity to participate in various activities such as hiking, swimming, and exploring the island's ancient ruins.

**Korean History & Culture**

This course will cover the history and culture of Korea, focusing on the development of Korean society and culture from ancient times to the present. The course will cover topics such as the ancient Korean kingdom of Silla, the Joseon Dynasty, and the modern Republic of Korea. Students will also have the opportunity to visit several places of interest, including the Gyeongbokgung Palace, the National Folk Museum of Korea, and the Gyeongju National Park.

**Comparative Studies of Korea and Beyond**

This course will offer students the opportunity to explore the cultural and historical development of Korea and its surrounding regions. The course will cover topics such as the ancient Korean kingdom of Silla, the Joseon Dynasty, and the modern Republic of Korea. The course will also examine the impact of Korean culture on other regions, including Japan and China. Students will have the opportunity to visit several places of interest, including the Gyeongbokgung Palace, the National Folk Museum of Korea, and the Gyeongju National Park.

**Political Economy of East Asia**

This course will cover the political and economic developments of East Asia, focusing on the impact of globalization and regional integration on the region. The course will cover topics such as the political and economic systems of China, Japan, and South Korea, as well as the role of international organizations such as the World Trade Organization and the Asian Development Bank. **Conclusion**

PNU Summer School provides an enriching and exciting experience for international students who wish to learn about and experience Korean culture and society. With its diverse range of activities, students will have the opportunity to learn about and experience Korean culture from different perspectives, and they will return home with a deeper understanding of the unique culture of South Korea.
Summer Sessions
PNU Summer School provides international students with an enriched cultural and educational experience through participation in our two-week program, four-week program, or both. Each program consists of academic courses, cross-cultural seminars, and a variety of cultural activities, including field trips. The summer sessions include two non-overlapping sessions, June and August, during which courses are offered, and students can choose one or both sessions according to their schedules, preferences, and academic goals.

Session A: June 20 (Mon.) - July 15 (Fri.), 2016

This two-week session features daily seminars on topics ranging from art, history, social issues, and literature. In addition, several field trips are arranged in the weekends.

Session B: July 27 (Wed.) - August 11 (Fri.), 2016

This four-week session focuses on contemporary aspects of Korean culture and society, local culture and customs, and students can choose one or both two-week sessions according to their schedules, preferences, and academic goals.

Courses
There are five courses in total, each carrying three credits; participants can choose up to two.

• Introduction to Korean Art History

This course is designed to provide the student with an outline of the East Asian cultural tradition. It will cover the historical development of Korean art from the Neolithic period to the modern era. Students will study the key concepts of Korean art history, including the Neolithic period, the Three Kingdoms, the Silla period, the Goryeo period, the Joseon period, and the modern era. Students will also be required to participate in field trips to visit key cultural sites in Korea.

• Political Economy of East Asia

Students will have the unique opportunity to learn and experience the unique aspects of Korean cuisine.

- **K-Pop Dance (Session B only)**

- **Students will have the unique opportunity to learn and experience the unique aspects of Korean cuisine.**
**Summer Sessions**

**Session A: June 20 (Mon.) – July 15 (Fri.), 2016.**

Two non-overlapping sessions, Session A and Session B, which share common features, and students can choose one in bulk sessions according to their schedules, preferences and academic goals.

**Courses**

- **Comparative Studies of Korea and Beyond**
  - Taught by Prof. Will Pore (Pusan National University)
  - This course will explore the traditional art of Korea: its architecture, stone art, pottery, painting throughout Korean history, from its Buddhist origins to its transition to an orthodox Confucian tradition. Students will come to understand the historical role of religion and painting in society, politics, and philosophy in everyday life in Korea.

- **Introduction to Korean Art History**
  - Taught by Prof. Chris Hennessey (Pusan National University)
  - This course will explore contemporary Korean society and culture, with particular focus on the way modern-day Koreans live, think, and reason. Students will gain an understanding of the Korean personality, and philosophy in everyday life in Korea.

- **International Law**
  - Taught by Prof. Kevin Cawley (Cork University, Ireland)
  - This course will give you a broad overview of Anglo-American legal systems, the role of courts, the substantive law and procedures, and contemporary issues in the field of international law. You will learn many of the dance moves of popular K-pop singers that feature in many of the dance scenes of popular K-pop videos. Students will have the chance to cook traditional Korean dishes and learn to make Korean food. You can make your own ceramic mementos of your time at PNU, such as personalized cups or plates, under the guidance of local ceramic potters in a South Korean pottery workshop.

- **Introduction to Korean K-pop Culture**
  - Taught by Prof. Joe Phillips (Pusan National University)
  - Taught by Frederick Richmond (Pusan National University)
  - Taught by Prof. Kevin Cawley (Cork University, Ireland)

- **Language of instruction is English.**
- **Official transcripts are issued to students who complete the courses.**
- **Two topics taught by experts in their fields through lectures, discussions, and field trips.**
- **Participants can choose up to two courses according to their schedules, preferences and academic goals.**

**About BUSAN**

Busan is a dynamic city that covers 1627 square kilometers and has around 3.6 million residents and Korea’s second largest metro area. Busan is famous for its natural environment, the perfect harmony of mountains, rivers and sea, with superb oceanfront vistas, such as Haeundae and Gwangali Beaches, scenic cliffs, and some of Asia’s most famous hot springs. Natural endowments and a rich history have resulted in Busan’s becoming a top tourist city. Beautiful scenery, traditional elegance, open-mindedness, progressiveness, and an energy unmatched anywhere else in Asia—of those features that make the city so magical: beautiful scenery, traditional elegance, open-mindedness, progressiveness, and an energy unmatched anywhere else in Asia. That’s why it’s called ‘Dynamic Busan!’

LIFE in BUSAN

Why PNU

The academic departments of Pusan National University rank among the top 11 national universities in Korea, No. 1 among domestic universities in University-Industry cooperation Rankings, No. 4 among Asian universities, according to the 2015 Chosun Ilbo & QS Asian University Rankings. In the 2014 Times Higher Education QS World University Rankings, the university is placed in the top 301-350 among national universities in Korea, No. 1 among domestic universities, No. 11 among Asia universities, and No. 872 among the world’s leading universities. In the 2014 Research Evaluation Framework (REF), Pusan National University was evaluated by corporations in 2013, 2014 and 2015!

PNU is located in the northern part of Busan Metropolitan City, a bustling port city of close to 3.6 million residents and Korea’s second-largest metro area. Busan is famous for the convenience of its transportation networks, including the metro system, which provides an efficient means of travel for both locals and tourists. At the heart of the city is downtown Busan, an area loaded with various shops, entertainment venues, and eateries. Several of PNU’s facilities are located in this area, making it easy for students to access classes and enjoy cultural events. PNU also offers easy access to such scenic spots as Haeundae beach, Yeongdo-gu, Gwangalli Beach and other popular destinations.
