

Support Procedure

(For students who have disabilities or concerns
that needed to be supported by Waseda University)

Waseda University will do utmost to ensure students who need support carry out their studies. If you ask for support by Waseda University during your period of studies, please refer to following procedure and take necessary actions, especially at the time of application. If you fail to report this before application, support may be delayed or not be able to be given.

! Those who are no longer on medication or visiting hospitals on regular basis are also recommended to prepare documents in case of emergency.

! To bring medicines with you to Japan, you may need to arrange Yakkan Shomei (薬監証明) document. Please refer to [Procedures of Bringing Medicines into Japan \(ワード: 154KB\)](#) (海外から日本へ入国される外国人の方) on following URL:
