Rankings on School Basis (International students with college student visa)	16

Notes:

1. Definitions of "international students" and "international students (with college student visa)"

This document defines "international students" and "international students (with college student visa)" as follows.

"International students" are defined as the students who are enrolled in Waseda University as of the survey date (including those under leave of absence and those studying abroad) and have foreign (non-Japanese) nationalities. Students with status of residence of permanent resident, special permanent resident, long-term resident, spouse or child of Japanese national, or spouse or child of permanent resident are not included.

"International students (with college student visa)" are defined as the students who are registered at Waseda University as of the survey date (not including those under leave of absence and those studying abroad) and have the status of residence of college student. The status of residence of these students are confirmed as valid as of the survey date by the Center for International Education.

All figures in this document are based on the number of "international students". The number of "international students (with college student visa)" is used only for "Number of International Students (with College Student Visa) at Waseda University, Summary 1 and 2". Past statistics until the second (fall) semester in 2009 used only the numbers of "international students (with college student visa)".

2. Definitions of "privately-financed", "government-financed", and "exchange program"

This document defines "privately-financed", "government-financed", and "exchange program" as follows.

"Government-financed" students are defined as the international students who are accepted by Waseda University under the MEXT Scholarship.

"Exchange program" students are defined as the international students who are accepted as exchange students under university-wide agreements or departmental agreements between Waseda University and overseas partner institutions.

"Private-financed" students are defined as the international students except government-financed students and exchange program students. Students under the double-degree program, those dispatched by foreign governments, those invited by Waseda University, and sponsored students are included in private financed students.

Number of International Students

As of Nov 1, 2018

Summary 1

Categories	Total	Under- graduates	Graduates	Sils One-year Students	Center for Japanese Language	Center for International Education
