To Dean of the Center for International Education

I, as an applicant to and participant in Waseda University's study abroad program (hereafter "study abroad program"), fully understand and agree to the terms and conditions as indicated below. I also agree not to lodge any formal objection or protest in the case that I may lose the right to participate in the study abroad program or support from Waseda University by failing to comply with these terms and conditions.

1. As part of the application process, I have secured permission and agreement from my financial supporter such as my guarantor to prepare sufficient financial resources for the estimated expenses for all programs which I applied during WEB Application Registration. I agree to pay all the fees (tuition, program fees, etc.) by the date set by Waseda University. I understand that any late payment of these fees may cause difficulty in approval of credits after finishing the study abroad program and course registrations for the following term.
2. I understand that I am not allowed to withdraw from the study abroad program once Waseda University nominates me as a candidate for the study abroad program unless Waseda University accepts the circumstance and gives me approval to withdraw from the study abroad program.
3. Even if I am nominated as a candidate for the study abroad program, it does not guarantee my participation in the program. I understand that the concerned university has the right to reject my application and that the rejection may rest on the conditions and circumstances of the concerned university.
4. Depending on the situations with public security and infectious disease in a country (region) of the student's study abroad destination university, Waseda University formulates plans (including the change into online courses) and may determine to suspend or postpone the study abroad program and advise the student to return to Japan, based on the information (mainly Travel Advice and Warning and Infectious Disease Warning) issued by the Japanese Government (mainly the Ministry of Foreign Affairs). Therefore, the student needs to understand such possibilities in advance and follow the University's instructions promptly. The student also needs to agree that penalty fees, additional fees and other fees incurred by the cancelation, postponement, or advice to return to Japan may be responsible of the student.
5. In the case where the study abroad destination university determines to formulate plans (including the change into online courses), suspend or postpone the study abroad program and advise the student to return to Japan, the student must as well follow what is stated above.
6. I understand the purpose of the study abroad program will concentrate on the study to the best of my abilities. I agree to complete all the courses required by the program. I also understand that I may be required to return to Japan and will do so if my academic standing does not reach the standard of the host university.
7. I agree to take full responsibility for all the necessary procedures, which include application documents to the concerned university, passport and visa, procedures required by my School at Waseda University to participate in the study abroad program and to return to the School, credit transfer, payment of tuition and other academic fees, insurance and others required for the program.
8. I agree to purchase the insurance plan for the period of my study abroad and register for crisis management service, as designated by Waseda University. I agree to purchase both insurance plans designated by Waseda University and by my host university if the latter requires me to purchase a separate insurance plan in addition to the one designated by Waseda University. Concerning the insurance plan designated by Waseda University, the start date of coverage will be the day I leave Japan (The day I leave home, when travelling with late flights). If I am of foreign nationality, and decide to briefly stop at my home country before going to the country of my host university, the start date of coverage will still be the day I leave Japan.
