<b>【Internal Applicant Screening】</b>	Ahead of our nomination toward the partner university, please read through all of the relevant information in“推薦応募提出物”. You need to submit all the documents (except documents for overseas travel insurance), described in “推薦応募提出物”, to the Waseda Global Gate at the first floor of the 22nd building of Waseda until 16:00 April 16th, 2021. We expect you to write your essay for internal screening in English. Although we would like to choose the best candidate(s) based on your submission, we may, furthermore, rely on your GPA scores or an interview if required. If you successfully acquire your position as a candidate, you will follow the next procedures for both nomination (by CIE office, Waseda) and application (on your own) toward the partner university After our internal applicant screening, we would like to send you an email about your result as soon as possible.
