CREATED BY STUDENTS FOR STUDENTS

## What is the ICC?

**A venue for intercultural exchange,  
to explore the world - at Waseda**

Waseda University has over 6,000 international students from more than 100 countries and regions. Plus, every year over 3,000 students from Waseda participate in study programs abroad. ICC was established in 2006 to take advantage of this diverse campus environment and further enrich intercultural exchange. True to its name, the ICC is a space where all students can participate - regardless of nationality or cultural background. Through interaction, students develop a new understanding of the world around them, while creating new values and interests.

## Step into a NEW WORLD!

### Get Involved!

#### 1. Participate in Events

The ICC organizes a wide range of events and activities throughout the year. These include Talk Sessions and Chat Cafes, music and dance performances, sports events and field trips, to name a few. With such variety, you're sure to find something that interests you! Many events require no advance registration - just show up! When pre-registration is required, you can usually apply in a couple of minutes on MyWaseda. It's that simple!

#### 2. Help out as an Event Supporter

**Help Out:** Volunteer supporters are critical to the ICC! Whether you're an international student who can help out with English Chat Club or Language Lunches, or a local student who'd like to coordinate a Welcome Festival or Japanese culture event, we want you at the ICC! Watch our website for upcoming opportunities.

**Plan Your Own Event:** We welcome your ideas for new and exciting events, like introducing your country's culture and traditions to the Waseda community! Planning an event will involve many tasks such as advertising, negotiation with sponsors, coordination, facilitating discussion and more. How much responsibility you take on is up to you!

#### 3. Work as a Student Staff Leader

Being an SSL is an opportunity to work on campus while learning valuable skills such as leadership, event planning and business etiquette. We recruit new SSL a few times a year, so watch our website and give it a try!
