

University of California System (EX-R) - Frequently Asked Questions

Q.派遣キャンパスはどう決まる？ How can I choose my campus?

A. UC System(EX-R)を志望する場合、学内選考後に UC System(連盟)へ出願をしますが、実際の留学先キャンパスに関しては、現地への出願時に必ず第 3 希望までキャンパスを選択頂きます。希望するキャンパス、Major、履修歴、履修中科目、Academic Statement(Essay)等を踏まえて UC System 側が各学生のキャンパスを決定しますが、必ずしも希望通りにいかない事がございますので、その点ご承知おきください。選択頂けるキャンパスは下記 9 キャンパスです。キャンパス決定については UC System 側が判断や決定権を持っており、希望される 3 つのキャンパスから漏れる可能性はあります。(過去に希望していないキャンパスへの派遣実績あり) 希望していないキャンパスに決まった場合でも決定後に変更はできません。どのキャンパスにも配属される可能性がありますので、各キャンパスについてよくお調べください。

When you apply for the UC System after being chosen as a candidate through the internal screening at Waseda, you will have to choose 3 campuses out of the list below. UC will evaluate your application with your academic background, coursework-in-progress, academic statement, and your desired major etc. to determine which campus is suitable for you. Please keep in mind that you may be placed at your third choice. Also, as UC has the right to determine your campus, it is possible that you will be placed at a campus that you did not choose. (We had such cases in the past.) Once you are placed, you cannot request to change it even if you are placed to a campus that you did not choose. Therefore, please do some research on every campus for you to be well prepared.

Q.各キャンパスで派遣人数は決まっている？ Are the number of students for each campus pre-determined?

A. キャンパス毎の派遣人数は決まっておりません。UC System に出願後、現地の判断で各キャンパスに割り振られる為、毎年各キャンパスへの派遣人数は異なります。

There is no pre-determined quota for each campus. UC will determine and allocate students to each campus. The student numbers for each campus is different every year.

Q.各キャンパスで語学要件は異なる？ Is the language requirement different for each campus?

A.学内選考出願時と異なり、現地出願時はキャンパスによってより高い語学要件が求められる場合があります。

Q.メジャーはどう選ぶ？ How can I choose my major at UC?

A. 現地出願時に 3 キャンパス希望して頂きますが、キャンパス毎に Major を選択して頂くことになります(Major を変えて同じキャンパスを選択する事は不可)。Pre-requisite のある Major を希望する場合、その条件を満たしている必要があります。以下 URL をよくご確認ください。また交換留学生に制限のある Major や科目がございますので、そちらも合わせてご確認ください。UC System 側が判断や決定権を持っておりますので、3 つの希望キャンパスとメジャーが適当でないと判断された場合、異なるメジャーに決定する可能性はあり、過去に実績がございます。

You will also choose your major for each campus you choose. You are supposed to meet the requirements if you choose a major with pre-requisites. Also, there are majors/courses that have restrictions for exchange students, therefore please refer to URL below and check carefully. If UC considers that your major is not appropriate, they may assign a different major from your preference. (We had such cases in the past.)
