

Schedules After Coming to Japan

<STEP1> Arrive Japan		
When	April entry	Mid to Late March
	September entry	Mid to Late September

- Make sure to:
 - ① Receive your residence card at the airport
 - ② Register your address at the city office
 - ③ Enroll in the National Health Insurance at the city office

<STEP2> Academic Orientation & Course Registration		
When	April entry	Late March
	September entry	Late September

- Make sure to attend the Academic Orientation held by the school you have been accepted. The details would be announced after you have received the "Notification of Acceptance" from the CIE office.
- Your Student ID card would be handed out from the faculty staff.
 - *The student ID card is necessary to open your bank account. For the details of the procedures for opening a bank account, please wait for the announcement email from the CIE office, since there are some important notes.
- The date of academic orientation and course registration period depends on each school.
- Course List and Syllabus would be released at this point.

<STEP3> Class Start		
When	April entry	Early April
	September entry	Early October

[Reference] [Academic Calendar and Time Table](#)
