3. [Reference] Flowchart to determine if you are eligible for interview exam(on Nov. 15 and 22)

You may be eligible for an interview if you are applying for the following programs. Please use the flowchart below to determine for yourself whether you are actually eligible for an interview. English programs other than GLFP, DD, and ASP, as well as non-English EX-L and CS-L programs, do not require an interview exam.

* "Programs with Restrictions" applicants are eligible for an interview regardless of the requirements on the chart above.

For the "List of Programs with Restriction (Fall 2024)", please check [CIE's website](#) for the latest information at a later date.

FYR: [List of Programs with Restrictions \(Fall 2024\)](#)

* You will be asked to speak in the language of the participating program during the interview.

* Even if you apply to multiple programs with the same interview eligibility requirements on the chart above, you will only be interviewed once (e.g., if you apply to multiple EX-R (Spanish) programs, you will only be interviewed once for Spanish). However, if you are applying to a combination of programs with different eligibility requirements to be interviewed, you will need to participate in more than one interview (e.g., an interview in English for English DD and an interview in Spanish for EX-R (Spanish)).

* Some applicants may be subject to an interview or other screening by their undergraduate/graduate school in the name of "Study Abroad Aptitude Test". Only those applicants who are subject to this screening will be contacted separately by their undergraduate/graduate school office with details on the date and time of the screening, so please be sure to respond in a timely manner.

4. 【Reference】 Notes regarding the official language score certificate

① For all programs

- (1) Only official score certificates with an examination date of December 4 of 2023 or later will be accepted for the internal screening.
- (2) Either a copy of the original or a printout of the web page is acceptable.
- (3) Language test scores which are not listed on the Program List will not be accepted.
- (4) Ensure your score report includes the **'score', 'test date', 'test taker's name', and 'test name (IELTS, etc.)'** on a single document. If a score report is printed on more than one page, please staple the pages together so that we can identify them as yours. If your name does not appear on the test results page, you must also submit a test confirmation email or any official document (the exam admission ticket) with your name.
- (5) Score certificates will not be returned in principle; therefore, we recommend you submit a copy of your scorecard.
- (6) Some programs set a base score not only for the total score but for each section (i.e., speaking, reading, etc.).
- (7) After the internal screening, you may be asked to retake the test when applying to the host university, when applying for a visa, or if your score certificate expires before the time of your visa application. If the retake result is lower than the score required by the host university or visa requirements, you may not be accepted by the host university.
- (8) You will need to submit the original certificate if the partner university you are applying to requires it.
- (9) The scores you entered in the online application will be considered invalid if you fail to submit official score certificates to prove them. It is not possible to replace your scores after the application deadline.
- (10) If you are submitting more than one score for the same type of test, please be careful how you enter them in the online application.
- (11) **The CIE cannot advise students about specific test dates in time for the internal screening. Please check the websites of the organizations that administer the examinations for information on how to apply and how long it will take for the test results to be announced, and plan accordingly.**

② Official English score certificates

- (1) If both TOEFL iBT® and IELTS scores are listed on the Program List for the program to which you are applying, you may apply as long as you meet the requirements for one of those tests. However, if you are applying to more than one program, you will need to meet the requirements for each program and may be required to submit both TOEFL iBT® and IELTS scores.
- (2) Programs with a "(B)" next to the TOEFL iBT® score requirement on the Program List accept the 'My Best scores' MyBest '. It is possible to apply to both programs that do accept 'MyBest scores' and the ones that do not, at the same time, but please keep in mind that you must meet all the requirements of each program.
- (3) It is possible to submit multiple scores for the same test type (e.g., two TOEFL iBT® scores). In such cases, please refer to the separate document "Online Application Registration Manual" for information on how to enter the scores on the online registration.
- (4) Score certificates of "IELTS Online" and "TOEFL iBT® Home Edition" are accepted when applying for the internal screening. However, please note that in recent years, there are increasingly more cases in which the host university does not accept those scores (you may be asked to obtain a new official score certificate again after you are selected as a candidate).
- (5) "TOEFL Essential" scores are not accepted when applying for the internal screening.

- (6) If both TOEFL iBT® and IELTS scores are in the process of being re-scored, they will be considered provisional and will not be accepted for the internal screening. Please make sure to submit the fixed scores.
- (7) **Only Academic Module is accepted for IELTS.** Please note that score certificates using the IELTS One Skill Retake system will not be accepted for the internal screening.
- (8) **If your score does not meet the required score (including section scores) even by 0.5 points, you will not be considered for internal screening. DO NOT apply to programs you do not meet the requirement for.**
