# University of California System (EX-R) - Frequently Asked Questions

*UC System (UC Education Abroad Program = UCEAP という機関が当該プログラムを実施・運営しておりますので、以後 UCEAP と記載いたします)

* This program is administered and operated by the UC Education Abroad Program (hereinafter referred to as UCEAP).

## Q1. University of California のキャンパスはどう決まる？ How is my University of California campus decided?

A1. 学内選考時は「UC System (EX-R)」プログラムへの応募となり、学内選考後に UCEAP へ出願する際、第 3 希望までキャンパスを選択します。 希望キャンパス、Major、履修歴、履修中科目、Academic Statement (Essay)等を踏まえ、最終的に各学生のキャンパスを決定するのは UCEAP 側です。留学センターが判断するわけではございませんので、予めご承知おきください。また、希望した 3 キャンパスに配属されない場合もあり（過去に希望外キャンパスへの派遣実績あり）、決定後の変更はできません。どのキャンパスにも配属される可能性があるため、事前によく調べておきましょう。選択できるキャンパスは以下の 9 キャンパスです。

UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC Santa Barbara, UC Santa Cruz

At the time of the internal screening at Waseda, you will apply to the "UC System (EX-R)" program. After passing the internal screening, you will submit your application to UCEAP, where you can list up to three campuses in order of preference. Based on your preferred campuses, intended major, academic history, current courses, and Academic Statement (essay), UCEAP will make the final decision regarding campus placement. Please note that this decision is not made by the CIE. It is also possible that you may not be placed at one of your three preferred campuses. In fact, there have been chases where students were assigned to campuses outside of their preferences. Once the placement is decided, no changes can be made. Since you may be placed at any UC campus, please research all campuses thoroughly in advance. You can choose from the following nine campuses:

## Q2. 各キャンパスで派遣人数は決まっている？ Are the number of students assigned to each campus predetermined?

A2. キャンパスごとの派遣人数は事前に決まっておりません。UCEAP 出願後、現地の判断で各キャンパスに割り振られるため、毎年派遣人数は異なります。

No. The number of students assigned to each campus is not fixed in advance. After you submit your application to UCEAP, campus allocations are determined locally. As a result, the number of students at each campus varies from year to year.

## Q3. 各キャンパスで語学要件は異なる？ Do language requirements differ depending on the campus?

A3. 学内選考出願時は、9 つのキャンパスのうち最も低い要件に合わせて設定されています。ただし、希望するキャンパスの語学要件がそれより高い場合があります。詳細は以下の URL でご確認ください。

For the internal application at Waseda, the language requirement is set according to the lowest requirement among the nine campuses. However, some campuses may have higher requirements than those applied at the internal screening stage.

## Q4．Major（専攻）の選択は必須？どのように選べばよい？ Is choosing a major mandatory? How should I decide on my major at UC?

A4. University of California への留学では、原則として Major（専攻）の選択が必須です。現地出願時に、希望する 3 つのキャンパスを選ぶと同時に、それぞれのキャンパスで希望する Major を 1 つずつ選択します。基本的にはご自身の興味のある分野から選んで問題ありませんが、交換留学生には履修制限のある Major や科目もあります。また、Pre-requisite（履修前提科目）が定められている Major を希望する場合には、その条件を満たす必要があります。同じキャンパスを異なる Major で複数希望することはできませんのでご注意ください。詳細は以下 URL をご確認ください。

なお、履修科目が Pre-requisite を満たしているかどうかの審査・判断は UCEAP が行います。留学センターではお答えできませんのでご了承ください。Major についても、希望通りにならない場合があり、過去にもそのような事例があります。

When studying at the University of California, you are generally required to choose a major. At the time of your UCEAP application, you must select three preferred campuses, and for each campus you will also select one major.
In principle, you may choose any field of interest. However, please note that some majors or courses may have restrictions for exchange students. In addition, if you wish to apply for a major that has prerequisites, you must have completed the required courses. Please also note that you cannot select the same campus more than once with different majors. For details, please refer to the URLs below:

Whether your completed coursework satisfies the prerequisites will be evaluated and determined by UCEAP. The CIE cannot confirm this on your behalf. Please also note that your assigned major may differ from your preference, as has occurred in past cases.
