【英語】語学能力に関する設問 Questions regarding English Proficiency

【Many students make mistakes in this section. Please be careful!】

- 1) If the score you entered on the online application and the one on your certificate do not match, you will be ineligible for screening. If you fail to submit a copy of your scorecard, you will also be ineligible.
- 2) Input the sectional scores, not only the total score.
- 3) The regular TOEFL score and MyBest Score have separate entry fields. Enter your MyBest Score in the designated fields only if you are applying to a program that accepts it. If your regular score and MyBest Score are the same, you do not need to enter your MyBest Score.
- 4) Please note that language requirements depend on the school of the host institution. Please check the Program List carefully.
 - * Since the language proficiency requirement for science-related departments is sometimes set relatively low in , the U.K., there have been cases where students majoring in humanities, liberal arts, or social sciences, even though already decided as the candidate, have only been able to choose the science department.
- 5) If you submit multiple score reports for the same test on the same score scale, fill in the second and subsequent scores in the Chapter9-1 “Other English Proficiency Test.”

Ex.) How to enter Chapter9-1 when submitting two IELTS score sets:

“IELTS② total 6.5, R6.5,L7,S6,W6”

 - * Basically, you are not required to submit multiple score sets for the same test unless needed for the sectional score requirements of your desired program.
 - * “Total” refers to the total score; “R,” “L,” “S,” and “W” refer to Reading, Listening, Speaking, and Writing, respectively.
 - * Serial numbers refer to the sequence you provide for the same test type.
- 6) For the TOEFL®, the way to provide your score differs depending on the score scale:
 - The current TOEFL (1-6): Fill in your first score report in Chapter 4, and your second and any subsequent score reports in Chapter 9.
 - The former TOEFL (1-120): Fill in Chapter 9-1, not in Chapter 4
 - TOEFL iBT Australia: Fill in Chapter 9-1, not in Chapter 4.
- 7) If you submit your score for “Other English Proficiency Test” in Chapter 9-1, fill in the following ways:

“The test name + the serial number + the total score (+ the sectional scores)”

Ex.) TOEFL (6) ② total 5.0, R 5.0, L 5.5, S 4.0, W 4.5
TOEFL (120) ①total 95, R26, L26, S22, W21
IELTS ② total 6.5, R6.5, L7, S6, W6
Duolingo ① total 120, Literacy 125, Comprehension 115, Conversation 110, Production 120

 - *Indicate the score scale clearly, such as “TOEFL (6),” “TOEFL (120),” or “TOEFL (AUS).”
 - * Sectional scores must be submitted, if any.
 - * Serial numbers refer to the sequence (number of sheets) you provide for the same test type.
 - * “Total” refers to the total score; “R,” “L,” “S,” and “W” refer to Reading, Listening, Speaking, and Writing, respectively.
- 8) Do not enter the language test that are not listed in the Program List and the Details (Program Overview). They will all be invalid.
- 9) Even if you have the language certificates listed in Program List and submit them, if those are not acceptable for the internal screening, you will not be considered for internal selection. For details, please refer to the Application Guide.
