### ■OUR MISSION

Japanese Language Students' Reading Room holds a wide range of books related to Japanese language education.

For Japanese language learners, the Students' Reading Room offers a variety of Japanese textbooks suited for different learning levels and purposes. It also makes dictionaries and audio materials such as CDs and CD-ROMs available for borrowing to support the learning of Japanese by international students. Practical guides about Japanese life, history, and culture are also available.

For Japanese language teachers, the Students' Reading Room holds teacher's manuals as well as teaching aids and reference books useful for classroom teaching. In addition, the Students' Reading Room holds a wide range of books on subjects related to Japanese language education and research such as Japanese linguistics, Japanese language teaching, Japanese education, and cross-cultural communication.
