- Response period: September 17 (Wed.) 2025, 12:00 (Japan Time)

Health Support Center, Waseda University

Health Checkup for Half-Year Program Students Enrolled in AY2025

Half-year Japanese Language Program students are **not eligible for the health checkup** at the Health Support Center on campus.

* Only regular graduate/undergraduate students and one-year JLP students can take the health checkup.

Health checkup are optional, but if you wish to enroll in the Health and Physical Education Courses (University-Wide Open Courses) or use the Training Center at Student Center, you need to submit a medical certificate.

■ Please check the following website for more information on the gym.

- How to use the Gym (Training Center) at Student Center (Student Center webpage)
<https://www.waseda.jp/inst/student/en/facility/training>

If you wish to take a health checkup, please use an external medical institution (fees apply). For more information, please contact the medical institution by yourself.

FYI: You can find examples of multi-lingual medical institutions in Shinjuku City from the link below. For more information, please contact the medical institutions.
