Dear Students,

Health Support Center, Waseda University

Health Check Certificates for Academic Year 2020 (Notice)

In consideration of the current spread of the novel coronavirus, student health check-ups for academic year 2020 have been postponed. For this reason, we will take the below alternative measures starting from the closed-campus period up to when student health check-ups can be carried out. Please note that these measures are different for 1) cases in which 2019 Health Check Certificates are acceptable (i.e. certificates for 2020 are not needed), and 2) cases in which 2020 Health Check Certificates are required (i.e. certificates for 2020 are needed).

※We are requesting corporations and organizations to be flexible when requiring students to submit Health Check Certificates during job-hunting activities.
