# Language Event

# Supporter!

- Share your Language! -

Do you like meeting new people and chatting casually with other students?  
Then register to be an ICC language event supporter and share your language!

This is a great chance to make new contacts on campus and connect with others who can speak your language. No Japanese language skills are required and whether you help out every week, every month or even just once a semester is up to you and your schedule! So if you'd like to help out with either of the following events then simply sign up online and start chatting with your fellow students!

### Language Lunch Supporters

(English, French, German, Chinese, Spanish, Korean)

Come to the ICC Lounge during lunchtime (12:20-12:50pm) and chat in your language while you eat your bento! It's as simple as that! No preparation required! Just come along on the day and enjoy chatting freely with other students over food! All will be explained at a short 30 minute orientation!

### English Chat Club Supporters

A weekly club where participants can chat in English for an hour. Supporters will join in an ice-breaking game with participants and generally help facilitate conversation throughout the event alongside the ICC's selected activities. No advance preparation or Japanese skills are required! Further information will be explained at a short 30 minute orientation at the ICC. Non-native speakers with advanced English are also welcome to sign up!

You can register online to become a supporter from 9/11 (Mon) → 10/4(Wed) (09:00):  
 MyWaseda → [Applications Forms and Questionnaires] → [Fill Out Application Forms] → [ICC Language Event Supporters Fall 2017]  
 \*Orientation: 10/9 (Mon) 12:20-12:50 @ ICC Lounge (1F Bldg. 3)
