

Become an ICC
**Language Event
 Supporter!**
- Share your Language! -

Do you like meeting new people and chatting casually with other students?
 Then register to be an ICC language event supporter and share your language!

This is a great chance to make new contacts on campus and connect with others who can speak your language. Whether you help out every week, every month or even just once a semester is up to you and your schedule! So if you'd like to help out with either of the following events then simply sign up online and start chatting with your fellow students!

Online Language Lunch Supporters

(English, French, German, Chinese, Spanish, Italian, Korean, Russian, Japanese)

Log on to the ICC during lunchtime (12:20-12:50pm) and chat in your language while you have lunch! It's as simple as that!
 No preparation required! Just log-on on the day and enjoy chatting freely with other students over food!

English Chat Club Online Supporters

A weekly club where participants can chat in English for an hour. Supporters will join in an ice-breaking game with participants and generally facilitate conversation throughout the event. ICC staff will explain about the simple activities we do at the club during the orientation and don't worry, Japanese skills are not required! Non-native speakers with advanced English are also welcome to sign up! Make new English speaking friends on campus!

You can register online to become a supporter from
 Sep. 7 (Mon.) → Sep. 28 (Mon.) 9:00am
 Orientation: Oct. 1 (Thu.) 12:20pm – 12:50pm
