

Do you like meeting new people and chatting with students from other countries?  
Then register to be an ICC Language Event Supporter!

This is a great chance to make new contacts on campus and connect with others who speak your language. Whether you help out every week, every month or even just once is up to you and your schedule! So if you can help out with any of the following events, just sign up online!

### Online Language Lunch Supporters

(English, French, German, Chinese, Spanish, Italian, Korean, Russian, Japanese)

Log on during lunchtime (12:20-12:50pm) and chat in your language while you have lunch -- It's as simple as that!  
No preparation required! Just log-on on the decided day and enjoy chatting freely with other students over food!

### Online English Chat Club (ECC) Supporters

ECC is a weekly gathering where participants can chat in English for about an hour. Supporters lead an ice-breaking game and generally facilitate conversation in a small group. ICC staff will prepare and explain the simple activities during the orientation, and don't worry, Japanese skills are not required! Non-native speakers with advanced English are also welcome to sign up! Make new English-speaking friends at Waseda!

You can register online to become a supporter from  
Mar. 26 (Fri) → Apr. 26 (Mon) 9:00am  
Orientation: Apr. 29(Thu) 12:20pm – 12:50pm
