

Research Funds Misuse Awareness Month

~Towards Eradicating the Misuse of Research Funds~

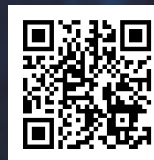

February 19, 2024 - March 30, 2024

Waseda University promotes initiatives to allow faculty, staff, and students to independently consider what constitutes good research and put their ideas into practice, in addition to working to prevent the misuse of research funds.

We have renewed our commitment to make university-wide efforts to fulfill the responsibilities that society entrusts with us and continue to implement academic research activities to earn ourselves the trust and respect of society.

Campaign details

- Holding an informal meeting for exchanging opinions towards preventing the misuse of research funds
- Encouraging participation in compliance education (Seminar on Academic Research Ethics)
- Increasing awareness about preventing the misuse of research funds among faculty, staff, and students by using the Academic Research Ethics Guide

Office of Research Ethics
