# Waseda University & Singapore Polytechnic Joint Symposium 2018 on Smart Health

Waseda University and Singapore Polytechnic will hold jointly a symposium base on their MOU(\*). This symposium serves to highest shared interests between the two parties, in the area of Smart Health. Distinguished keynote speakers and researchers will present key topics and share developments in Their respective fields.

Please do join us as we examine the advances that have taken place in Smart House, as well as the impact it will have in our future.

Note(\*): In 2013, Waseda University and Singapore Polytechnic made the memorandum of understanding for strategic partnership in providing mutual coordination on research activities.
