Journal of Inter-Regional Studies: Regional and Global Perspectives (Vol. 1)

We would like to announce that Waseda ORIS (Organization for Regional and Inter-regional Studies at Waseda University) will publish a new English language open-access academic journal, *Journal of Inter-Regional Studies: Regional and Global Perspectives (JIRS)*. The journal will be published once a year. In principle, all papers published in this journal will be uploaded to the open-access website, Waseda Repository, and the website of Waseda ORIS. Hardcopies of the journal will also be disseminated to relevant academic and research institutes within and outside of Waseda University.
