## 内容 Theme: "Academics for Revival in Difficult times"

Difficult times involve economic, social or humanity problems triggered by political turmoil or external shocks such as a pandemic. As a multidisciplinary academic seminar, presentations related to all areas of social sciences including economics, sociology and political science as well as humanities and history are invited. We are especially interested in topics that explore:

- ✓ Theoretical, empirical or applied analysis around the difficult times
- ✓ Policy recommendation addressing the difficulties and its impacts
- ✓ Lessons from history during and after the crisis
