

Waseda University Open Innovation Ecosystem Program for Pioneering Research

W-SPRING Symposium

In October 2021, Waseda University began operating the W-SPRING Program. The aim is **to establish a career path and to provide financial support for doctoral students** with the support of the "Program for Pioneering Research by Next Generation Researchers" implemented by the Japan Science and Technology Agency (JST).

We are offering a Symposium to introduce an overview of the program as well as to encourage doctoral students and provide information on careers prior to the Fall 2022 application. Doctoral students who are receiving support from the program will present their research outline and career plans.

Date & Time Wednesday, **August 10, 2022, 2:00 p.m. - 3:50 p.m.**

Venue **Online** (zoom webinar format) (The session will be conducted in both English and Japanese)

Advance registration is required at the following URL
