

FAQ (Exchange Students' Dormitories)

[Applying for a place in an exchange students' dormitory]

Q1: Let me know how to apply.

After you are accepted as an exchange student, the Residence Life Center (RLC) or the person in charge at your University will send you a Housing Questionnaire (HQ). After you have received the HQ, please access to a web-form from the URL on the HQ and answer the questions by the deadline. As for the timing of notification of acceptance, please refer to the following website.

<https://www.waseda.jp/inst/cie/en/exchange/application>

Please be reminded that you will not be able to apply if you are on certain programs. Please confirm whether you will be able to apply or not with the person in charge at your University.

Q2: I am a regular student. Can I apply for a place in an exchange student dormitory?

As the dormitories are exclusively for exchange students, a regular student cannot apply.

Q3: How many exchange student dormitories are there?

There are three: Waseda University Student House (Sodai Ryo), Waseda Hoshien (Hoshien), and Nishi-Waseda International Student House (Nishi-Waseda Ryo). You can find the basic information including the furnishings and the dorm fee at the following URL.

https://www.waseda.jp/inst/rlc/student_dormitory/exchange/

Q4: Can I choose a dormitory?

No. Based on the information on the HQ, the RLC will allocate each student to Sodai Ryo, Hoshien, or Nishi-Waseda Ryo. Furthermore, please be advised that once you have entered a dorm, you may not change your room to another one in the same dormitory or one in another dormitory.

Q5: Will I always be accepted to a dorm ?

Please understand that we cannot secure rooms for ALL of the exchange students who wish to stay at our Exchange Students' Dormitory due to the limited rooms in the dormitories for the exchange students and the number of inbound students growing steadily. There is no waiting list.

Q6: I have not yet received a confirmation e-mail after submitting the HQ.

1. Sometimes it may take time before receiving a confirmation e-mail after completing the HQ. Please wait for a while.
2. In case that a confirmation e-mail has yet to be delivered after waiting for a while, Please check other mail box of your account since it may be treated as a junk e-mail.

Q29: What is a 'joint guarantor'?

"Guarantor system" is a Japanese culture-specific feature when renting housing. When leasing housing, a "guarantor" is required to make the contract. A joint guarantor is a person who is close to you and can co-sign the contract to be jointly responsible for liabilities that you would have to the lessor (Waseda). This is just an example, but this means that the lessor could legally seek payment for rent from the guarantor and not the resident. Generally, however, the lessor do not contact the guarantor unless the resident does not pay rent, moves out without notice, causes trouble with neighbors, or causes other serious problems. Japanese students usually ask their parents or siblings to become their guarantor.
