# Kakenhi and Grants

46.2%

of WIAS researchers' applications for AY 2024 Kakenhi\* was successful.

2

Governmental Research Grants  
¥1,650,000 in total

15

Other Grants  
¥18,998,119 in total

\* Its official name is "Grants-in-Aid for Scientific Research" ; competitive governmental research funds that are intended to significantly develop all scientific research

# Conference Presentations

103

presentations were conducted by WIAS Researchers during AY 2023. 31 of them were invited lectures.

31

Presentations were conducted as invited talks

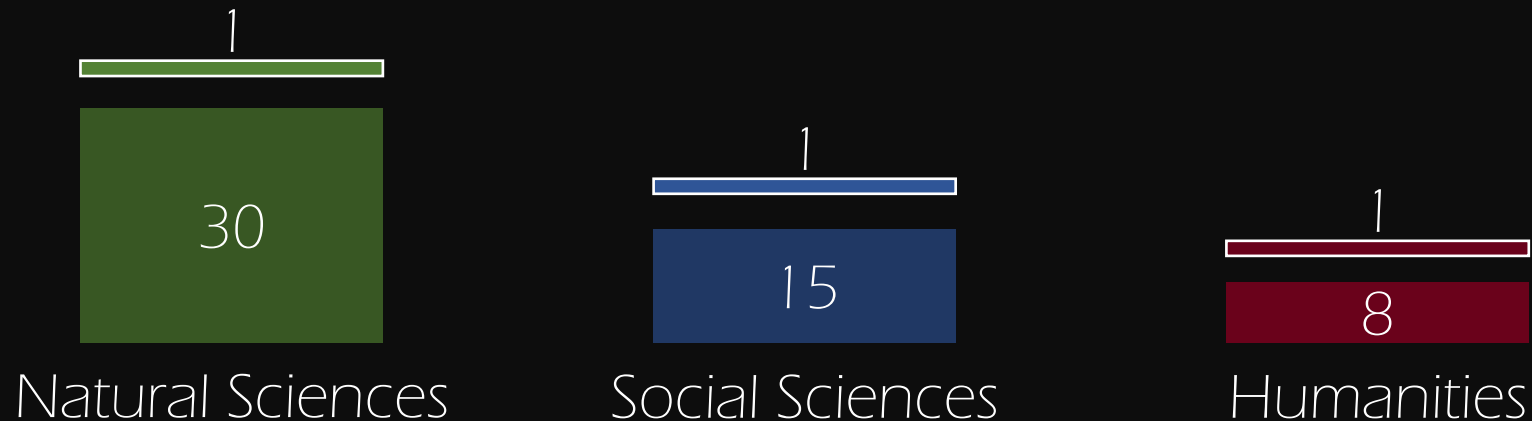

103

Presentations were conducted

# Papers Accepted

56

papers single-authored or co-authored by WIAS Researchers were accepted during AY 2023. 3 papers among them are published in "high-impact journals."<sup>\*1</sup>

\*1 High Impact Journal: the top 3% of journals in each field (SCImago Journal rank (SJR) of journals contained in Scopus)

\*2 See "Categorization of Research Fields" how we categorize research fields

# Book Publications

**EDWARDS JR Donald Brent**

"Education and development in Central America and the Latin Caribbean: Global Forces and Local Responses" **Co-authored**

"Rethinking World Bank influence: Governance reforms and the ritual aid dance in Indonesia" **Co-authored**

**MORRIS James Harry**

"Digital Humanities and Religions in Asia: An Introduction" **Joint editor**

"The Palgrave Handbook of the Catholic Church in East Asia" **Co-authored**

"Christian-Muslim Relations: Primary Sources, Volume 3, 1700-1914"

"Christian-Muslim Relations: Primary Sources, Volume 2, 1500-1700"

"Christian-Muslim Relations: A Bibliographical History Volume 20. Iran, Afghanistan and the Caucasus (1800-1914)" **Co-authored**

# Book Publications

KUWABARA Natsuko

『聖母の晩年——中世・ルネサンス期イタリアにおける図像の系譜』

Authored

JU Yiyi

"Empirical Research on Environmental Policies in China: China Towards Decarbonization and Recycle Economy"

Co-authored

ANDASSOVA Maral

『くうた』と信仰』

Editor

『古典の再生』

Co-authored

FITTLER Áron
