

WIAS at a glance

in numbers

The background of the slide is white with several light gray circles of varying sizes scattered across it. One prominent red circle is located in the upper left quadrant, containing the number 34 in white.

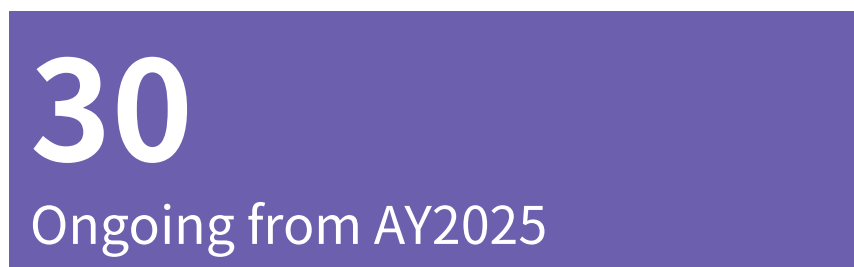

34

The number of researchers in AY2025

Natural Sci. 11, Social Sci. 11, Humanities 12

of WIAS researchers' applications for AY2025 Kakenhi* were successful.

Other Governmental Research Grants

¥2,020,000 in total

Other Grants

¥8,455,600 in total

* Its official name is "Grants-in-Aid for Scientific Research" ; competitive governmental research funds that are intended to significantly develop all scientific research

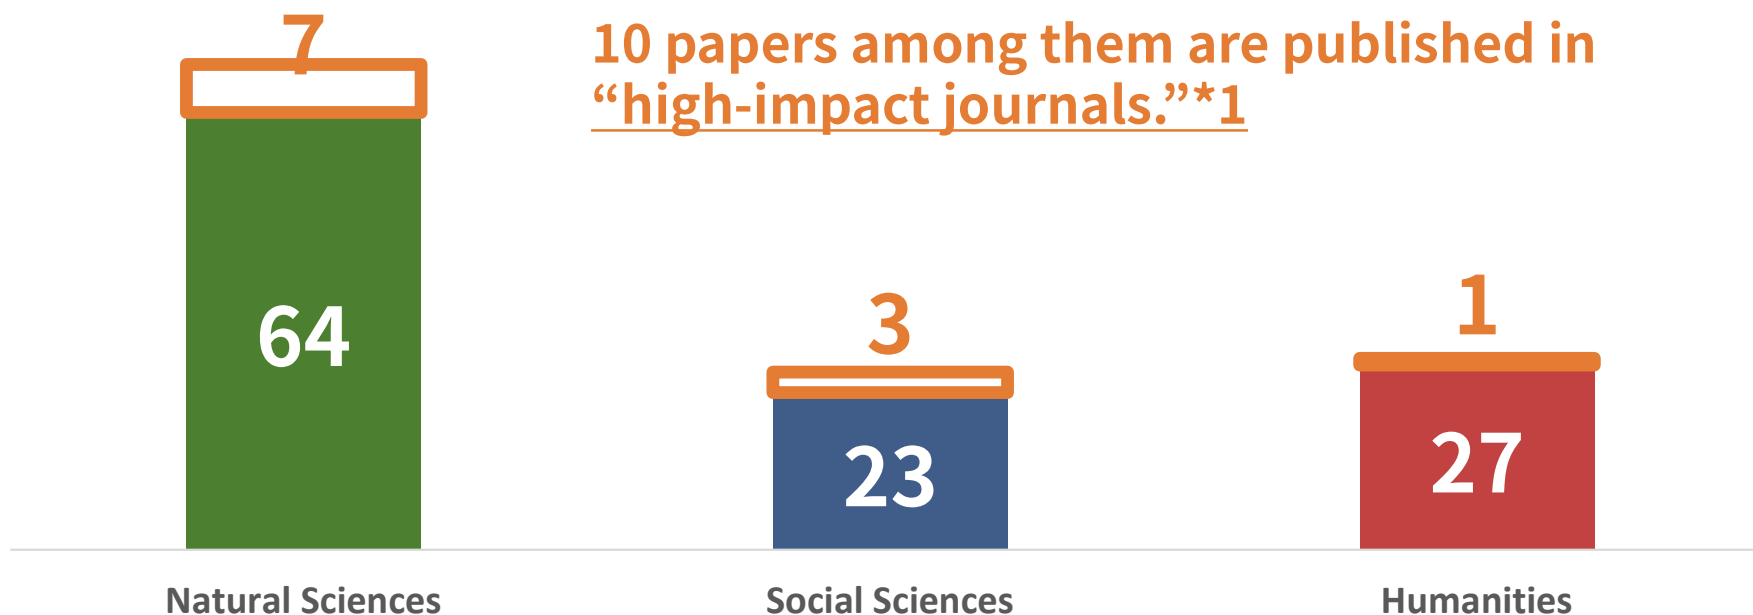

131

41 of them were invited lectures.

**academic conference
presentations were
conducted by WIAS
researchers during
AY2025.**

114

**papers single-authored
or co-authored by WIAS
researchers were
accepted during AY2025.**

*1 High Impact Journal: the top 3% of journals in each field (SCImago Journal rank (SJR) of journals contained in Scopus)

*2 See “Categorization of Research Fields” how we categorize research fields

10

Books were published

KANG Jing

“Accessible Remote Sensing: Interdisciplinary Approach and Applications”

Author

LEE Juhee

『交響するテクスチャー文学・メディア・翻訳』

Co-author

『越境する革命 『吼えろ、中国！』 と東アジアの左翼芸術運動』

Co-author

LIU Ling

“Elgar Encyclopedia of Political Communication”

Co-author

MATSUO Risa

『【新装版】 ショパンの詩学：ピアノ曲『バラード』という詩の誕生』

Author

10

Books were published

NISHIDA Nao

“Extracellular Vesicles as Matrix Messengers (Biology of Extracellular Matrix, 15)”

Co-author

『エクソソーム・ワールド：生物界を繋ぐ新規モダリティーの将来像』

Co-author

PACHCIAREK Pawel

『笹岡由梨子のパラダイス・ダンジョン』

Co-author

WANG Lizhou

“International dimensions and trends in higher education in troubled times : insights from key global publications 2018-2023 in international higher education”

Co-author

Awards

👑 **HOSHINA Naosuke**

2025 Waseda Research Award / High-Impact Publication

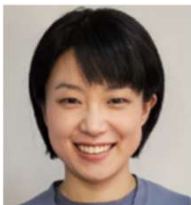

👑 **HUNG Shao-Min**

2025 Waseda Research Award / High-Impact Publication

👑 **LI Jialong**

Best Presentation Award / IEEE International Conference on Software Engineering and Artificial Intelligence

👑 **NISHIDA Nao**

ISEV2025 New Parents Scholarship / International Society for Extracellular Vesicles

野口遵賞 / 公益財団法人野口研究所

Awards

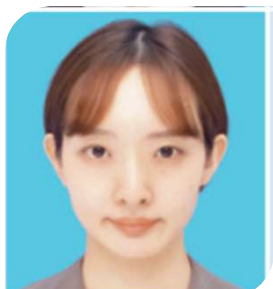

👑 **ONOE Masafusa**

日本天文学会研究奨励賞 / 日本天文学会

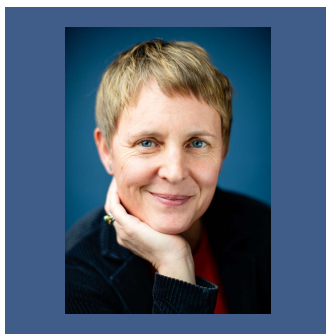

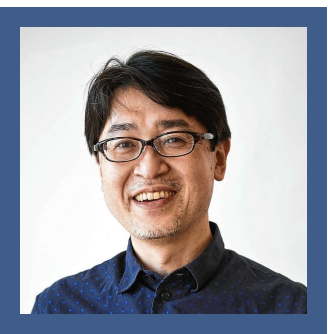

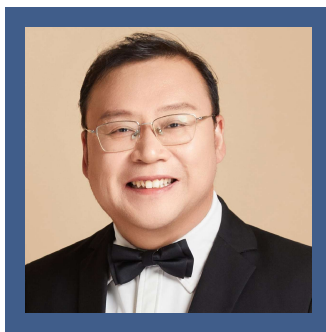

👑 **PACHCIAREK Pawel**

ポーランド文化功労章 / ポーランド共和国文化・国家遺産大臣

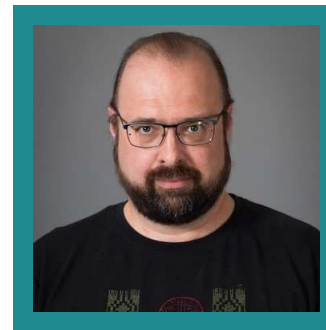

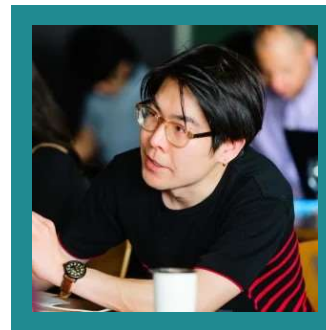

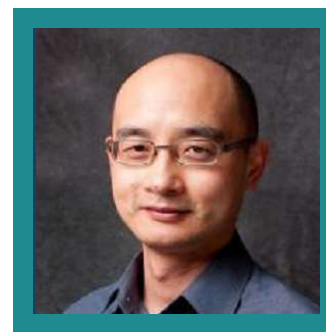

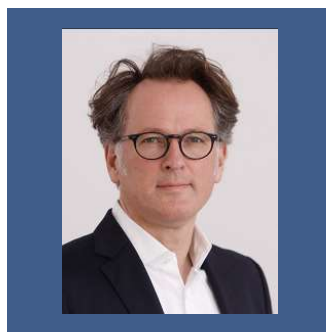

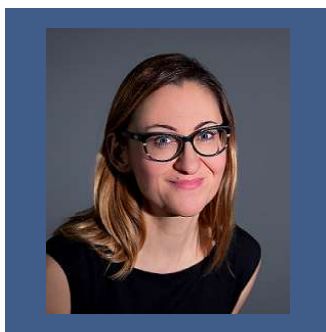

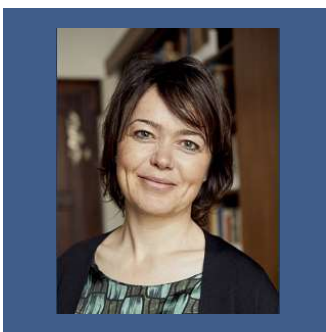

Researchers

WIAS welcomed 11 new researchers in AY2025.

WIAS welcomed 13 Visiting
Researchers and 8 Visiting Scholars in
AY2025.

Events

WIAS organized 49 public events in AY2025. Over 1,000 people have joined our events from all over the world.

エビモダニズムの時代に

「現在」に名前をつけることは常に難しい。「ポスト post」という解決策が垂々主役であったが、「ポスト性」自体にも「その後」がありうるという事実を機嫌にしていた。しかし現在はいまだに「ポストモダン」だろうか？

この講演では、驚くべき豊かさを持つ別の接頭辞「エビ epi」を用い、この「ポスト性」を乗り越えることを提案する。「エビモダニズム」は、ポストモダン批判を再加工し、あらゆるポストアイロニーを含め、新たな開け方への野心を再起動することによって、モダニズムの遺産に対し6つの異なる関係を築くことになる。

私がこんにちの文学において *Princip Principle* と呼んでいるものについて、ボスニア系フランス在住作家ヴェリボル・チヨリッチ (Veljko Čolak, 1964-) を例に論じてみたい。

WIAS TOP RUNNERS' LECTURE COLLECTION

EMMANUEL BOJU
エマニュエル・ブジュ教授講演会

2025年10月11日 (土) 14:00~16:30
早稲田大学19号館 711教室

高等研究所 3年目研究員による成果報告会

社会科学 / Social Sciences

(司会 / Chair:

久保 克行 / KUBO, Katsuyuki 高等研究所副所長 / Associate Director)

14:00~14:30 阿部 達也 / ABE, Tatsuya

「構造推定アプローチによる生産関数の推定と環境政策評価への応用」
"Estimation of the production function with a structural estimation approach and its application to environmental policy evaluation"

14:30~15:00 劉 凌 / LIU, Ling

"INFOTRUST: Understanding the Dynamics of Information Exposure and Processing to Attitude-Disconfirming Political Information across High and Low Media-Trust National Contexts"
