# 1 Introduction

## 1.1 Notes on Operation

### System Requirements and Operation Confirmation Terminals

Classification	System requirements and supported terminals
PC	Chrome

- \*The operation confirmation terminals have been determined as a result of checking and do not guarantee proper operation.
- \*The images may not be properly displayed depending on the model or browser.
- \*The operation was confirmed with the latest version as of the date when it was performed.
- \*The service may be available from a terminal that does not meet the system requirements described in the terms of use or other than the operation confirmation terminals, but NTT West does not guarantee proper operation with such a terminal. Some of the screens may not be displayed or work correctly.

### Inquiry about the System

- ◆ NTT West Call Center for Certificate Issuance Service (Only available in Japanese)

Phone	06-6809-4327 24/7
Reception hours	24 hours

## Screen Images

## Steps

## How to Operate

[illegible]

Certificate information	
Check code	XXXX-XXXX-XXXX
Type	Certificate A
Submission destination name	Company A
Department to Submit	Department A
Person in charge	Person A
Email address to submit to	companyA@example.com

8

Check the content of the submitted certificate displayed on the screen. The submitter of the certificate gets an email to notify that you have checked the content when this screen is opened for the first time.

See below for details of the items on the screen.

9

Check the information of the certificate and designated recipient displayed on the upper left of the screen.

## ▶ Check code

A code to identify the certificate. This is necessary when contacting us to inquire about the submitted certificate.

【Notes】

The check code switches depending on the previewed certificates if there are multiple of them.

► Type

A type of the certificate is displayed.

- Submission destination name

The company name of the designated recipient entered by the submitter is displayed.

► Department to submit

The department name in charge entered by the submitter is displayed.

Nothing is displayed if the submitter didn't enter this field.

- ▶ Person in charge

The name of the person in charge entered by the submitter is displayed.

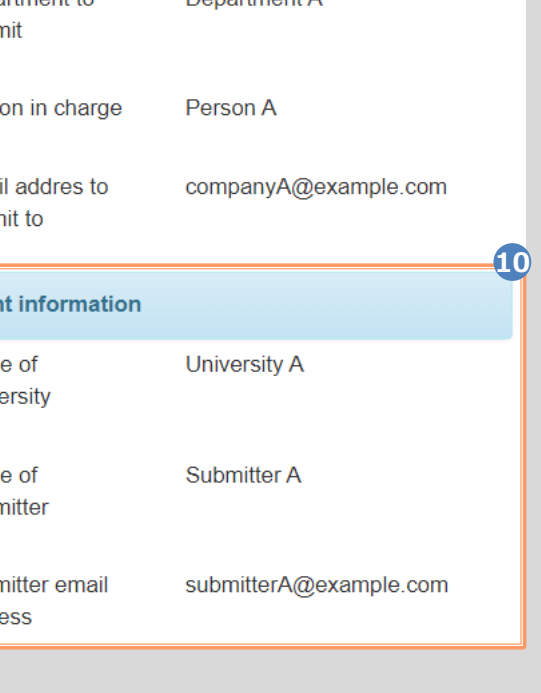

Nothing is displayed if the submitter didn't enter this field.

► Email address to submit to

The destination email address entered by the submitter is displayed.
