Science & Engineering Library (B1, Bld. #51)

TEL: Extension 73-2249 Outside Line 03-5286-3889

Email: riko-tosho<at>list.waseda.jp (change “at” to “@”)

Service Hours during the Semester: Mon.-Fri. 9:00AM-9:00PM Sat. 9:00AM-7:00PM

For summer, winter and spring vacations, please check service days and hours on [the website](#).

Part. A To Use Library Materials

1. Part-time lecturers can use all the libraries and students' reading rooms. They can borrow up to 60 materials. Renewal of due dates and placing holds on books which are already checked out can be conducted through Discovery Service [WINE](#).
2. To use Science & Engineering Library in Bld. #51, IC Identification card is required. Please read [Terms of Library Use for Part-time Lecturers](#). Please do not forget to bring faculty ID when you use. Almost all the libraries and students' reading rooms have security gates opened by ID card.
3. As e-resources, over 250 databases, over 160,000 titles of e-journals, over 650,000 e-books can be used via [Waseda E-Resource Portal](#). They are for the use inside the campus. Off-Campus Access service is only for full-time faculty, full-time staff, and regular students. Please strongly advise students to use the e-resources appropriately.
4. Many of the journals which can be used online and also the old back numbers are stored in the Honjo Deposit Library in Honjo Campus located in Saitama prefecture. Those in Honjo Deposit Library which cannot be used online can be requested to deliver to Science & Engineering Library.
5. You can also request materials (books and photocopies) from non-Waseda libraries. Application can be submitted via Library Online Request Form on [MyWaseda](#). To order books from Central Library, Takata Memorial Research Library, Toyama Library, Tokorozawa Library, and other reading room located in Waseda Campus, please use “Request” function after logging in WINE. Pick up place is Science & Engineering Library in Bld. #51.
6. Material delivery service from campus libraries (Central Library, S. Takata Memorial Research Library, Toyama Library, Science & Engineering Library, and Tokorozawa Library) to the office of the Center for Advanced Biomedical Sciences is available. To use this service, please ask at TWIns office.

Part. B Purchase Requests

1. Science & Engineering Library has selection criteria and discloses it on the website of Science & Engineering Library.
https://www.waseda.jp/library/libraries/sci-eng/#anc_26 (in Japanese only)
Application Forms can be also downloaded from the above site.
2. Purchase requests for books which cost less than 300,000 JPY can be submitted through Library Online Request Form on [MyWaseda](#).
3. Science & Engineering Library and Students' Reading Room (School of Science and Engineering) collect books mainly in natural science field. Please submit purchase requests for the books in social science and humanities field to the Central Library. You can choose which library to submit your purchase request with Library Online Request Form on [MyWaseda](#).

Part. C To Use Other Services

1. As reference management software, Waseda University Library subscribes to [RefWorks](#), [Mendeley](#). Please refer the guide. Personal registration is needed.
2. Information literacy courses in class on topics such as how to collect materials and how to use reference management software are available. Personal tutorial to the lecturers can also be requested. Application must be submitted to the Science & Engineering Library one month before the first choice of the holding date. After the consultation about the content and the date, the course will be taken place.
3. On [Waseda E-Resource Portal](#), useful tools for information searching such as Research Navigation and Guides & Tutorials are available. Also, on the website of Science & Engineering Library, PDF of the handouts used in the events like library orientation. Please tell your students to take advantage of these tools.
4. If you have any questions, please use online reference.
