Presence in Japan

Impact on society : Media coverage in Top 2 leading national daily newspapers (Asahi and Yomiuri)

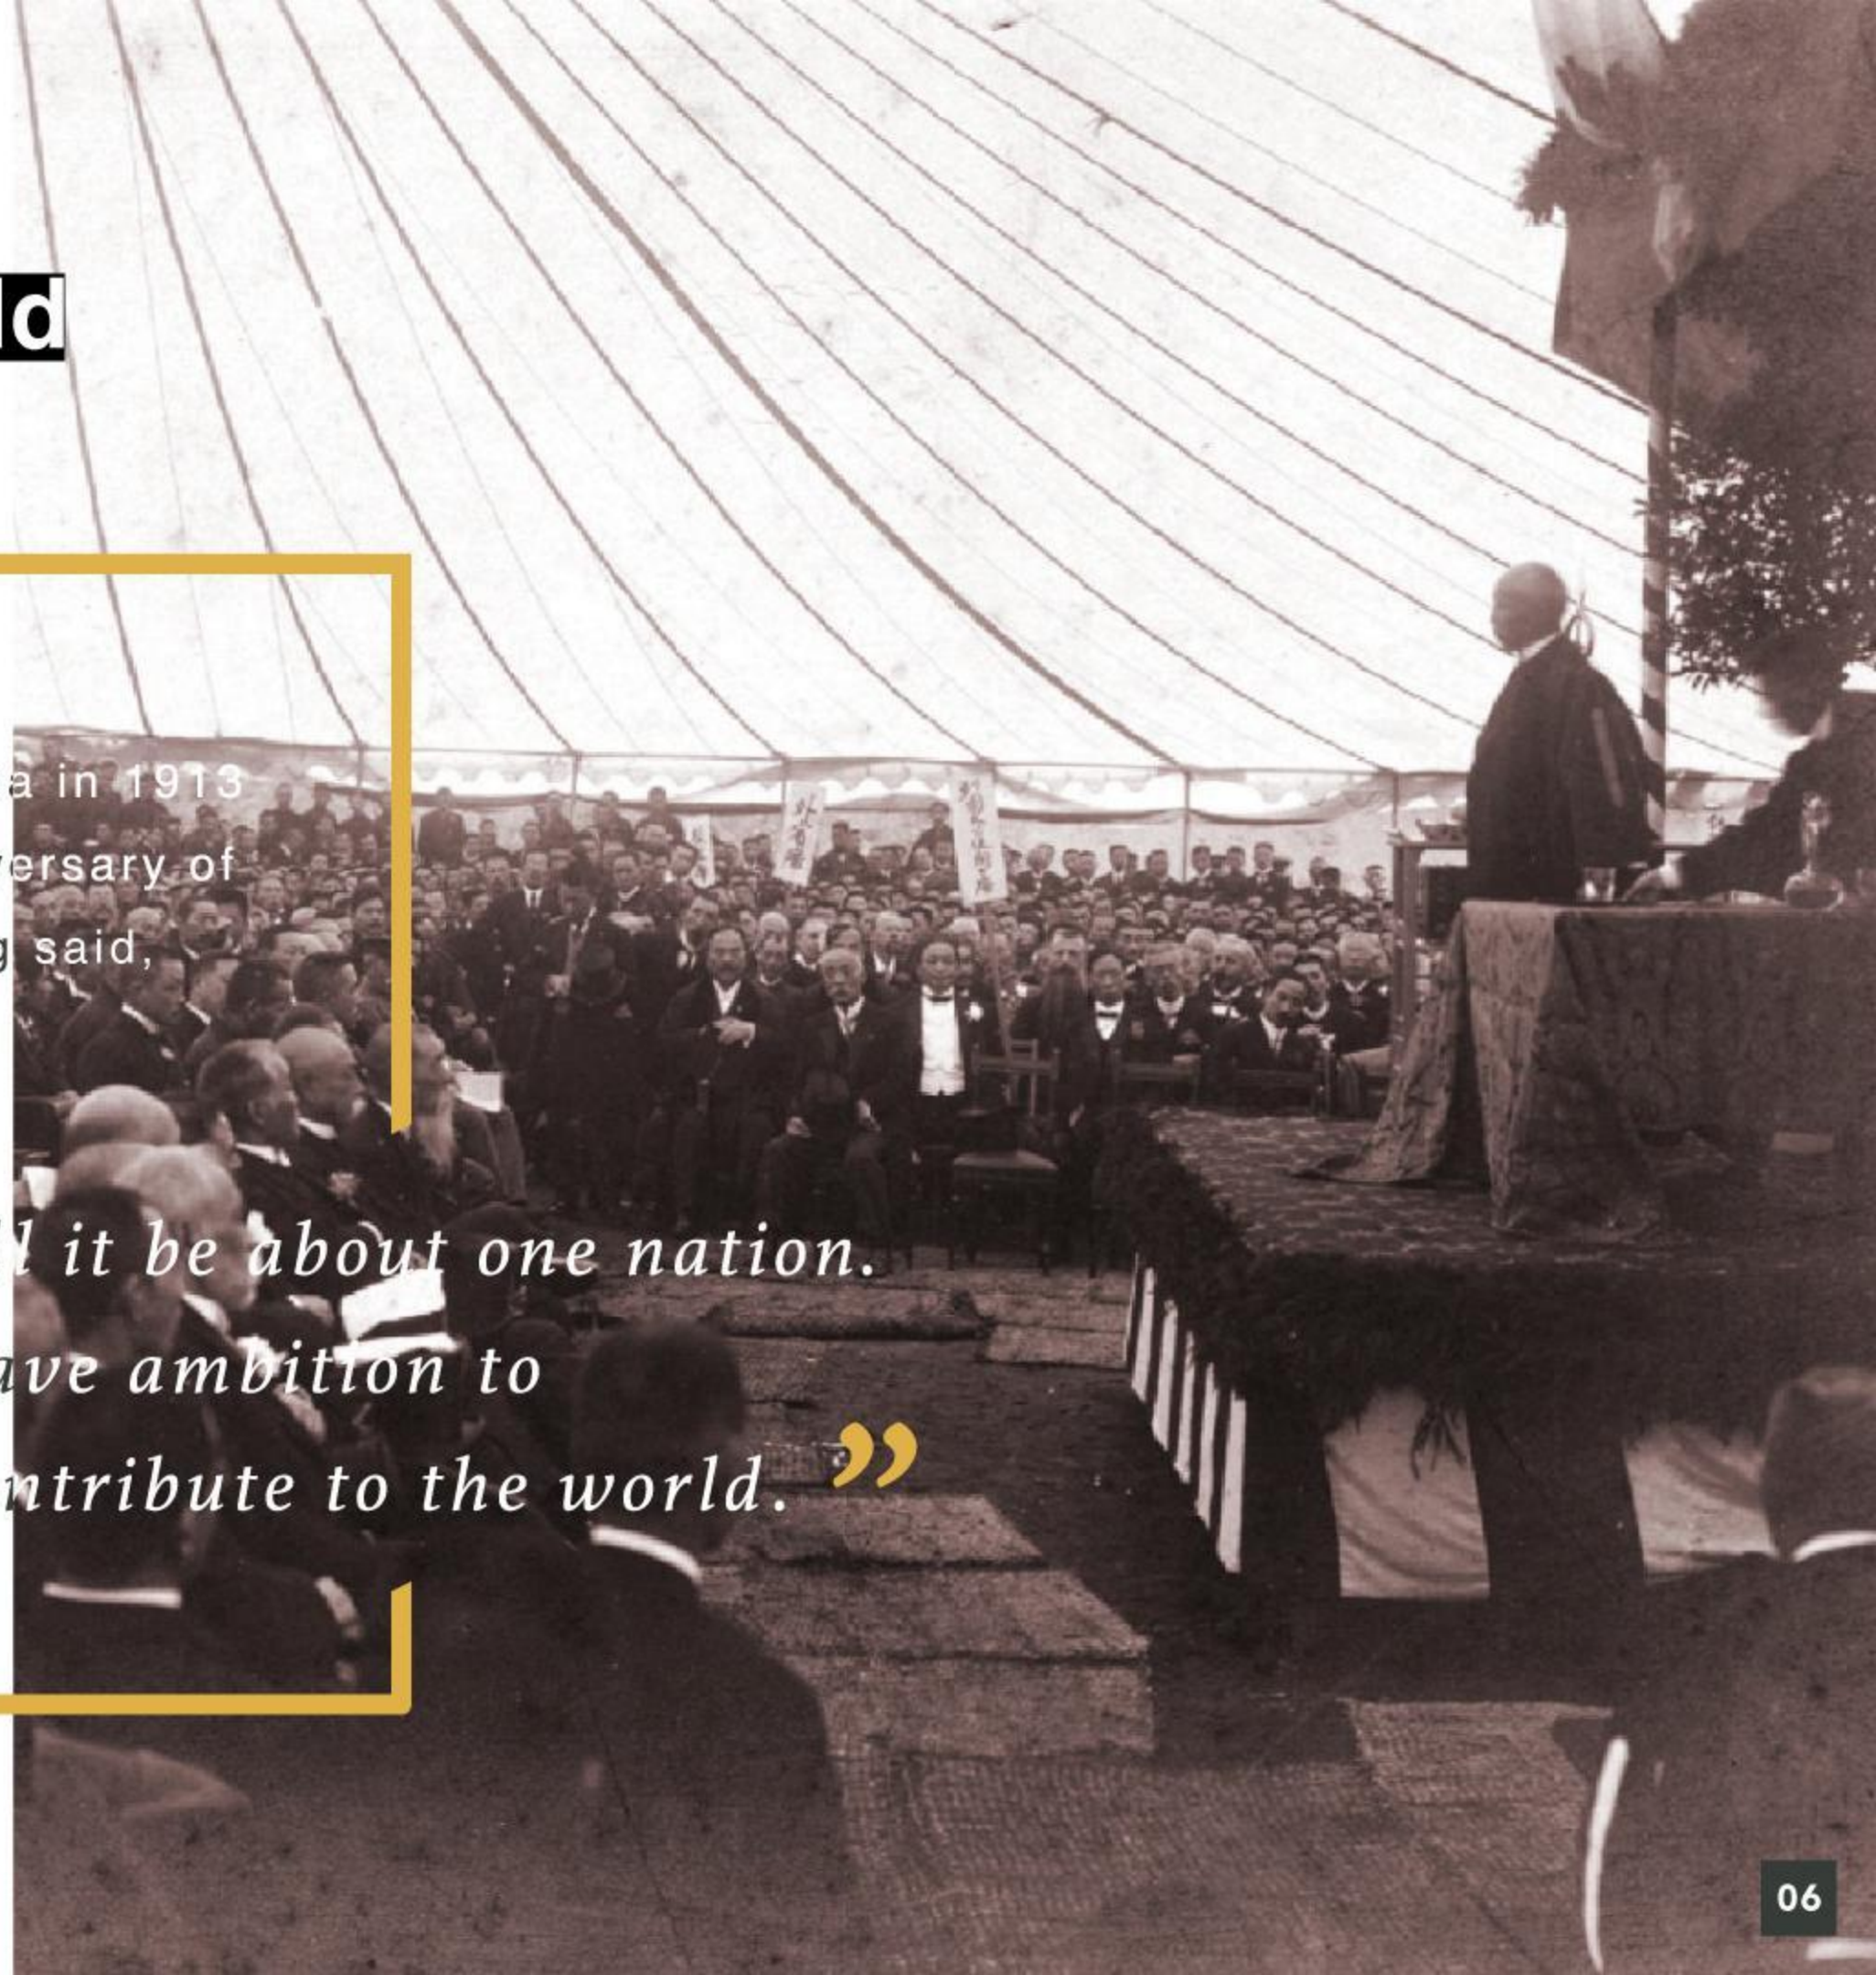

*2017.01.01-12.31

A University Open to the World

Shigenobu Okuma in 1913
at the 30th anniversary of
Waseda founding said,

“ nor shall it be about one nation.
You shall have ambition to
willingly contribute to the world. ”

A University

Open to the World

1884, first international student.

1905, special program designed for accepting Chinese students.

Expanding International Network for everyone in the world

Founder Okuma's words

“

We Japanese, stand at a point where the Eastern and Western civilizations meet. Therefore, to harmonize the East and West and contribute to the unification of the world, is an ideal part to be played by Japan.

”

Expanding International Network for everyone in the world

In 90 countries and regions, a network with about 800 universities and Institutions spreading.
